Spring Events

Spring is nature's way of saying, "Let's party!"
~Robin Williams

Now that spring is here, make sure you are stocked with Blaze Chafing Dish Fuel for all your customers and their catered events. Spring not only means longer days, but sunny and warmer days, and lots of outdoor parties and events like Picnics, Weddings and Graduations!

Blaze the Clear Leader, has everything you need to ensure Hot Food,

Safe (we're ISO certified and UL tested),

HOT (200 proof Ethanol and the highest BTU's),

don't forget we are **Kosher Certified** and **Kentucky Proud!**

Product Showcase

BB400 – Ethanol
GB400 – Methanol

Our 3 oz. jelled fuel has a 1 hour burn time and can be conveniently used in the following ways:

Disposable fuel cells are a convenient way to operate your candle holders and lamps, and is preferred by most users for providing candle light to you tabletop.

The fuel cells are non-staining and require no melted wax mess to clean up.

The fuel cells have a variety of burn times and are non-flammable and non-hazardous.

Call one of our Regional Account Managers for a FREE sample and pricing to brighten up your tabletops for your customers upcoming spring events.
